Panties by American Apparel
americanapparel.net

Hi, guys! I'm Nikki the intern, and I'm here with my girl Haileey James, a high school grad who just moved out to California to be a star. She's so excited to be here that you could practically see her pearly whites from outer space. The only thing more adorable than her smile is her…everything else!

Best part of your body: Butt.
Biggest turn-on: Humor. Make me laugh.
Biggest turn-off: *Umm*…when guys are lying, cheating bastards.
Romantic status: Single.
Reason for posing: To get back at my ex for breaking up with me.
What would he think of you for doing this? I think he thinks I'm a dirty girl.
What do you like most about modeling? The people. Everyone I've met so far has been really cool.
Have you ever been with a girl? No, not yet. I was with my ex for two years. Now that I'm single, I have a lot of catching up to do.
How often do you masturbate? Whenever the mood strikes. It's been more often lately—now that I don't have a boyfriend.
Fave way to masturbate: Fingers. I've got a pocket rocket, but I don't carry it around with me—not anymore, anyway. Not after it fell out of my purse and my mom saw it.
Do you like oral sex? Of course.
Do you prefer giving head or receiving? *Umm*…they both turn me on, but blowjobs don't give me orgasms, so I'll have to go with receiving.
Do you like anal sex? Yes! I love it in the ass.
What are you like in bed? I can be wild—and a little kinky.
What's your favorite position? Doggy-style is my favorite so far, but there's some crazy-ass ones I've seen in porn movies that I want to try.
What's the best sex you've ever had? *Umm*…that would have to be with my ex, but I don't want to think about him anymore. Hopefully, the best sex is yet to come.
What's your ultimate sexual fantasy? I'd love to do a porno. I like the idea of someone watching me have sex. ★

PANTY CONTEST WINNER

Announcing the winner of BARELY LEGAL's November 2007 Panty Giveaway contest: Mr. Don Bowman of North Carolina. We loved his "earnest plea"—and also his totally exotic new name for "furry pussy." Congratulations! Lena's luscious undies are on the way!

Dear BARELY LEGAL staff,
I enjoy your magazine very much. I got a tremendous hard-on when I saw Lena, and I would love to be the proud owner of her precious panties. I would lick all her juiciness out before putting them under my pillow every night to help me have incredible wet dreams about her sweet, dripping pussy. After doing this for five nights, I would then hang them around my rearview mirror for all the world to gaze upon, and every time I needed a pick-me-up, I would soak up the mustiness of those precious panties like a crazed madman. I can't think of anything better to have in the car with you at all times, other than sexy Lena herself. So please hear my earnest plea and award me those finger-licking-good panties.

And, by the way, I definitely noticed she stopped shaving—way to go, Lena! I love a hairy beaver and would love to wrap my tongue all around her beautiful beaver and stroll through her beautiful Brazilian rain forest for at least a couple of days.

Sincerely yours,
Don Bowman
North Carolina

Dear BARELY LEGAL,
Just to let you know that I absolutely love your magazine. I wish that I could personally thank each and every one of your gorgeous models. Your September 2007 Teen Queen of the Month [Sandy] is a total ten-plus in every respect. She has it all—her eyes, her nose, her mouth, her breasts and such a deliciously inviting pussy. If I had a vote, I would vote for her as Teen Queen of the Year and Teen Queen of the Decade. Please, please bring her back for a repeat appearance and, yes, even an additional encore appearance.

You printed a letter from B. K. in Pennsylvania in which he complained about all of the shaven models. I am not saying that he is wrong and I am right, but I much prefer them just as they are, neatly and cleanly shaven. It would be a shame to hide such beauty with a mat of hair.

D.
by Internet

DEAR BARELY LEGAL,
Cover girl Sandy, September 2007, is the new record holder for me. I have been jerking off to her hot young body at least once a day since she arrived. That is around 50 intense loads of cum this young Teen Queen is responsible for. Maybe you could thank her for what she does for me and my satisfied cock. Are there possibly any full posters or videos of her?

Now that the October 2007 issue is out, I like to match Sandy with Teen Queen Angelika, who likes anal sex and loves to swallow cum. But Sandy still gets the first dose of cream every morning.

Anonymous Guy
by Internet

D., you want it, you got it! Sandy will appear next month in our April 2008 issue, plus she will pop up later this year in a girl/girl layout. She's frisky!

Anonymous Guy, sorry, but we don't have any posters or videos with Sandy. By the way, she says, "You're welcome," and also she hopes you saved up some cum for her next two pictorials!

—Lindsey

Dear BARELY LEGAL,
Just a comment on the letter in the November 2007 issue from A. R. from California. His comments regarding your models were definitely in poor taste and, as you commented, mean-spirited. I have yet to see one of your models that I would not consider beautiful, and most of them are downright gorgeous.

Also, a follow-up on the comments in the October issue regarding boy/girl layouts: Please leave your magazine just as it is. If I want boy/girl layouts, there is an abundance in other magazines. That is one thing that makes

BARELY LEGAL so special—just beautiful young women and *more* beautiful young women, all in revealing poses. There is just one thing I would like: In your girl/girl layouts, I personally think there is nothing more erotic than two gorgeous young women with their lips locked in a deep, passionate kiss. I just hope to see more of this.

N. W.
by Internet

Thanks for your awesome feedback, N. W.! So many readers wrote in to reply to A. R. from California, we can only print some of the letters! (See below.) You guys, your opinions are super important to us, so thanks for taking the time to write. That goes for A. R., too!

—Lindsey

Dear BARELY LEGAL,
In response to A. R.'s letter: I really like the comic *Room Mates*. Also, I think that all the women in BARELY LEGAL are very sexy. A. R., these ladies are not dogs. They are very HOT and SEXY ladies.

Anonymous
by Internet

Dear *sexy* Lindsey,
I just wanted to write you and tell you how sexy you are!! You are so hot!! Also, while reading and looking through [the November] issue of BL, one pretty young lady caught my eye in particular—Kadence!! She is *super* hot. I love her long, blond hair and beautiful lips, but her boobs are to die for!! She is so beautiful, I could never get that lucky!! I would take her camping, and I would lick her little poonie every second of the night!! I was just wondering if she would consider entering her panties in a contest? I would do anything for a pair of that little angel's panties!!

Lindsey, you are super hot, and I think your *Room Mates* comic is "tight." I love the thought of you becoming wet!! Super yummy!!

Oh, and A. R. in California, *I* am offended that you spoke on behalf of *every* BL reader. *I* personally love "real" ladies. Big butts and big breasts are the best!! But that is *my* opinion, and who are you to call these young ladies "dogs"? Can you imagine how hard it is for these hotties to pose nude in front of a camera? Oh, well—that's my opinion, and I think Kadence is a baby girl!!

Just wondering, Lindsey—do you like older, muscular men??

Sincerely,
Arthur
West Virginia

Sorry, Arthur! Kadence didn't give us any panties for the contest. Some girls are just shy about these things.

As for me, yes, I like older, muscular men—'specially when they have muscular tongues like you. ;)

—Lindsey

Dear Lindsey,
You asked for responses to the letter from A. R. in the November issue. First, my reaction to *Room Mates*. I disagree with the writer. I wasn't sure about *Room Mates* at first, but have grown to really enjoy it. The characters appear real, with real feelings and fears. The drawing is garish, but very graphic, which I like. The sex scenes are terrific. Very hot. I admit this comic turns me on.

I disagree even more on his perspective on the young women in BARELY LEGAL. While the women have some common themes—young, enjoy sex, open to new experiences, fresh eyes on world—what sets BARELY LEGAL apart from other magazines is that you do not have one idealized vision of the perfect woman. I do not suggest I speak for anyone but me. However, what I really like about the young women in BARELY LEGAL is they are different. Women have different size breasts, different butts, different pussies, different weight and height, different backgrounds, different interests, different ethnic and cultural backgrounds. You honor women by demonstrating that all types of women, not just one type, are beautiful, bright and sexy. While I prefer small breasts (A and AA), I am glad that not all of your women have small breasts. I like Latin and Caucasian women, but am glad you have Asian and African-American women in your magazine. I like women who are into academics, but am glad that women with all kinds of interests are represented.

Women are not dogs, and to say that they are is demeaning and offensive.

Thank you for being the magazine that you are. Lindsey, I appreciate your being the spokeswoman for the magazine each month. I agree with the writer who thought your panties would be very popular. Your photo in November is very hot. Continue your good work, and continue to push back where you disagree. I like when you have strong opinions.

Mark
by Internet

OMG, Mark! Your letter says exactly how I think about BARELY LEGAL. (Except for the part about me, 'cause that would be braggy.) Thanks for writing! ***—Lindsey***

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. I notice that when you guys write in, lots of you pick your number-one favorite girl in the latest issue. Personally, I never pick one girl, 'cause, you know, I'm sort of in charge, and it isn't nice to play favorites.

But *this* month, I have to be honest, I'm totally crushing on our covergirl, Haileey James. She has the cutest, happiest smile I've ever seen! It's, like, the definition of irresistible.

On the other hand, I *do* like boobies—maybe 'cause I'm lacking in that department. :) And the *best* boobies in this issue *have* to belong to 5-2 Tara. They're so big and round, I don't know how she can even stand upright!

But wait a minute—there's also Sasha Grey. She's *so* exotic-looking—right down to her big, black, untrendy bush. Sasha is super independent and doesn't care what other people think, which I totally admire. Maybe *she's* actually my favorite this issue?

Or maybe it's Andie Valentino and her eye-popping pooter. Or Carmen McCarthy. She has the prettiest eyes! Or maybe it's even Hollywood super starlet Christina Ricci. I want to nibble on those nips *so bad*.

You know what, you guys? With all of this hotness, I *can't* choose just one girl this issue. It's physically impossible! But let me know *your* favorites....

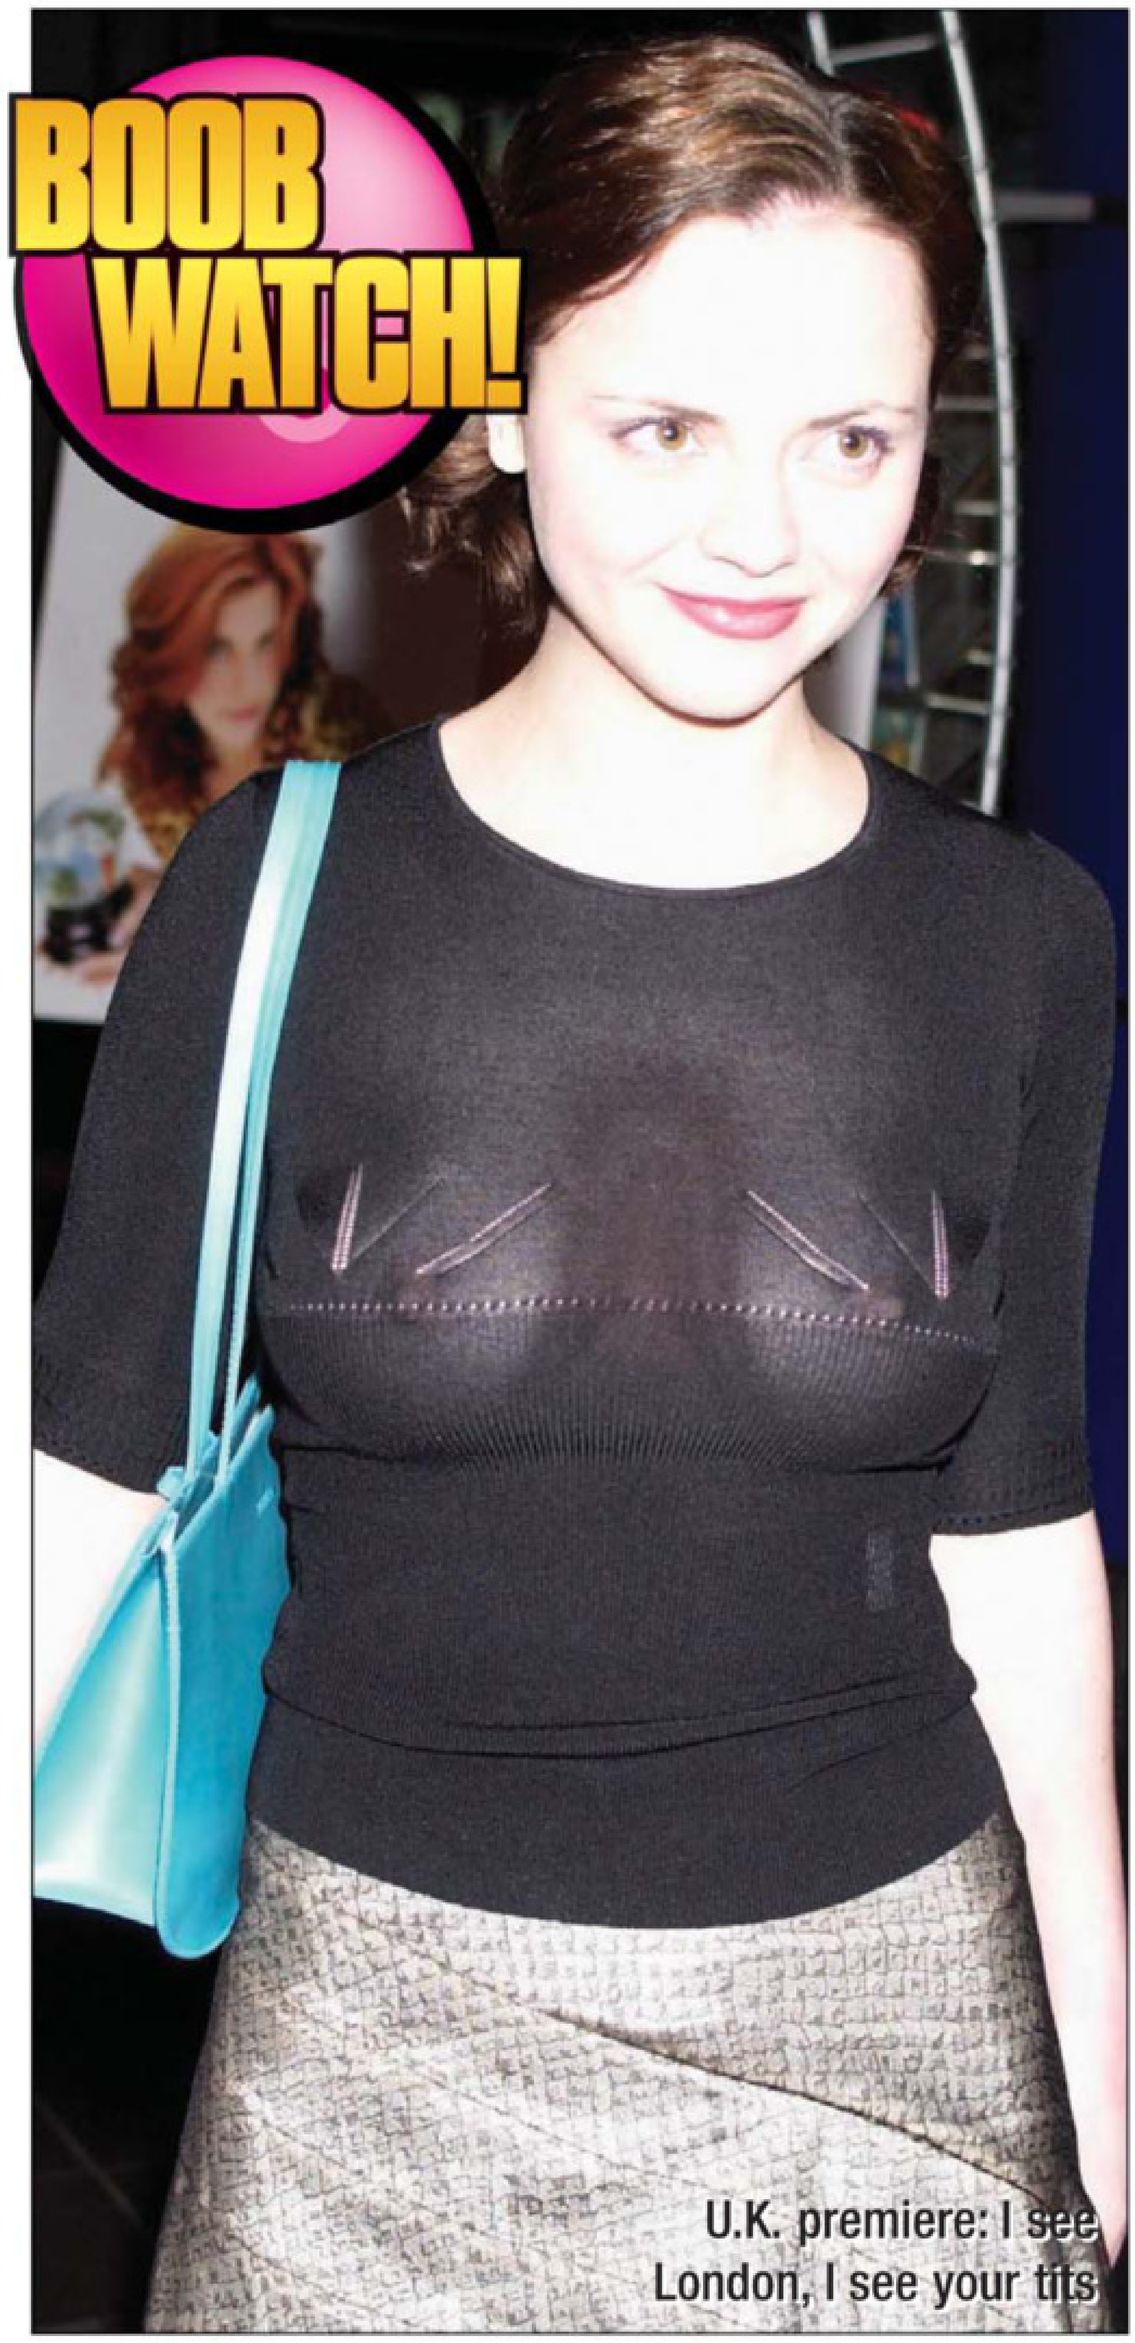
CHRISTINA RICCI



U.K. premiere: I see London, I see your tits

courtesy mrskin.com

A couple years ago, there was this rumor that Christina Ricci (*The Addams Family*) had her boobies reduced to help her career—which, you would have to be completely blind to believe that.

We have 20/20 vision, and we're using it to start a much more believable rumor: Christina Ricci has bionic nipples!

Seriously, check out these pics. At a movie premiere, at a fashion show, in a serious, Oscar-winning movie—this girl's nips are never *not* erect. No man-made material can hold them! They're, like, Terminator titties!

Christina, you'd better put those things away before you hurt somebody. Just kidding! Please don't *ever* put them away.

LeAnn at 16

LeAnn as a (fantasy) woman

LEANN RIMES

YOUNG CELEB FANTASY

Country singer LeAnn Rimes ("Blue," "How Do I Live") used to be a squeaky-clean teenage chubster with a middle-aged-lady voice. To be honest, she was not exactly a BARELY LEGAL babe.

Well, LeAnn has now totally matured, but in a good way. She's wearing revealing gowns on her slender but shapely bod, singing dirty blues songs on her new record and making sexy videos with Jon Bon Jovi. Basically, LeAnn is now...*hot*!

Readers A. T. of Illinois and R. B. of West Virginia (plus one anonymous reader) have also noticed the blossoming of LeAnn and feel it is time for her to take the next step toward womanhood—total nudity.

How 'bout it, LeAnn? Don't leave the readers with "Blue" balls! ;)

Which young celebrities would *you* like to see? Let us know! Write to BARELY LEGAL Celeb Fantasy, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211.

DISCLAIMER: Parody picture; no such picture of LeAnn Rimes actually exists. This composite fantasy picture is altered from the original for our imagination, does not depict reality and is not to be taken seriously for any purpose.

GINNY

nice girls need it, too

Rachel the intern here with high school senior Ginny. The Ivy League-bound babe describes herself as a "God-lovin', Bible-huggin', honk-if-you-heart-Jesus Christian," but she doesn't think sex is bad, and she definitely doesn't mind showing us all what God gave her!

Interests: Reading, writing, drawing, watching movies, going to church, chilling with my friends, laughing…you know.
Reason for posing: I don't think my body is something to be ashamed of.
Did you like posing nude? Yes. I was nervous, but the photographer was super nice. He made me feel beautiful.
What part of your body do you consider your best? My smile.
Most sensitive part of your body (besides your clit): My nipples. Just walking around naked makes them all tingly. Blowing on them gives me goose bumps.
Biggest turn-ons: Nice eyes, nice hands—and a nice butt.
Biggest turn-off: When guys brag. I cannot stand it.
Funniest pickup line you've ever heard: "I'm writing a term paper on the finer things in life, and I was wondering if I could interview you." LOL!
Romantic status: Still looking for Mr. Right.
Dream date: Having Disney World all to ourselves for the whole day.
How often do you masturbate? Two or three times a week.
Fave position: Me on top.
How do you like to be fucked? Slow and deep. I like to really *feel* it inside me.

Have you ever had sex in public? No.
Have you ever exposed yourself in public? *Mmm*...the closest I ever got was when I wore Princess Leia's metal bikini costume from *Return of the Jedi* to a comic-book convention. It didn't leave much to the imagination. I had *soo* many guys checking me out.
What's the naughtiest thing you've ever done? I hooked up with a girlfriend at a spiritual retreat! We fingered each other, and she went down on me while everybody else was asleep in the same room!
Are you bisexual? No, not really. It was just the one time. But her tongue was amazing! If I can find a guy to eat me out like that, I'd be in heaven!
Do you like giving head? Yeah, it's fun, but I can't do it for more than like a minute. It hurts my jaw after a while. I'm more of a handjob girl.
Do you spit or swallow? I've never had to do either.
What's the absolute best sex you've ever had? I spent the night at a guy friend's house—totally not thinking anything would happen—but he woke me up in the middle of the night and got in bed with me. I was still half asleep as we fooled around. When I woke up the next day, I wasn't sure if I had dreamed it or not.
Describe your ultimate sexual fantasy: I know it's wrong, but I kinda want two guys at the same time. Yeah, like that'll ever happen! I have a hard enough time getting *one*.
Ultimate goal: I want to be a youth minister and help troubled teens. ★

SASHA GREY

rough angel

Hi, guys! I'm Nikki the intern with the one and only Sasha Grey—back by popular demand from her first appearance in our December 2006 issue. Sasha's a smarty-pants who doesn't wear pants. She's totally into art and philosophy and wild sex and freaky fetish stuff and true love and being silly. What she's *not* into is shaving her puss.

Reason for posing: Most of the porn I've seen just doesn't excite me. I want to change people's notions of what girls like—and are like—sexually.

What do you like in bed? I like it rough. I love extreme sex: anal, deep-throating—stuff like that.

What's the naughtiest thing you've ever done? I did a dirty ass-to-mouth once. Another time, I was blowing this guy, and I deliberately made myself gag on his dick. It was hot!

***O-o-okay.... Um*, so you like giving head, obviously?** Yes.

Do you spit or swallow? Whatever the guy likes. I like to pretend I'm his fantasy girl come to life or like a commodity he can use any way he wants.

***Uh-huh*.... What's the absolute best sex you've ever had?** The best is when it's passionate—with someone you truly love.

Are you seeing anybody? I consider myself single.

If you could do any celebrity, who would it be? Belladonna! She's my porn-star idol.

What are your plans for the future? I enjoy being an adult entertainer. I knew it would be exciting, but I didn't realize it would open up so many doors for me. I want to find out where it leads. ★

Newly legal **Ocean** has, like, the perfect name, 'cause her fave hobbies are surfing and hanging out at the beach. The Los Angeles native also enjoys hip-hop dancing and playing with her vibrator when she's not toiling away as a sales clerk. Ocean isn't sure what she wants to do in the future, career-wise, but when it comes to sex, she's "aggressive and willing to try new things." That's for sure! She's bisexual, plus she loves doggy-style boning, *plus* she's even done anal a few times—which totally makes sense. "I got a good-sized booty," she brags. "My friends say I have a J. Lo booty." Ocean must have the Jennifer Lopez star mentality, too, 'cause her number-one fantasy is to have sex under the Hollywood sign! She probably wouldn't even care if anybody saw her—she's "very comfortable" with herself and believes that "nudity is a beautiful thing." In fact, she's been itching to pose naked for a while, but never had the opportunity—until now. We're glad we could help out, Ocean!

LOLA

anal personality

photography by
matti klatt

Hi, guys! I'm Rachel the intern, and this is Lola. She went from all girls at her Catholic high school (see her strip out of her school uniform in our Anniversary 2007 issue) to boys, boys, boys (and sometimes girls) in her first year of college. We thought we'd catch up with her before she goes all crazy on spring break.

Romantic status: Single. Nobody goes steady at college—at least not for long!
Biggest turn-on: Smart is sexy. The biggest sex organ is our brain.
Biggest turn-off: Cocky guys—although I like the *cock* part. LOL!
Dream date: I don't do, like, dinner-and-a-movie actual *date* dates. I like to chillax, hang out, study, play a little Guitar Hero and hook up with someone at the end of the night.
How do you like to be fucked? In the ass!
What do you love most about anal sex? It makes me feel like I'm on top of the world—even though I'm usually on the bottom. LOL!
What's your favorite position? Doggy-style is the best for anal, but I like to face the guy during regular sex and look into his eyes.
Are you bisexual? I prefer guys, but you *have* to have a little fun when you're stuck in an all-girls school. Even now that there are boys around, I need a girls' night every now and then.
Do you like exposing yourself in public? I flashed my boobs on a roller coaster once. That was exciting.
Do you wear panties? *Most* of the time.
What's the naughtiest thing you've ever done? Given a guy a blowjob *after* having butt sex with him.
Have you ever had sex with a stranger? Yes! One time, in the dorms, I needed to take a shower *really* bad, so I got in with a guy who was already showering, and we fooled around, and I ended up giving him a BJ. But he wasn't a total stranger. I had seen him around before.
What's your ultimate sexual fantasy? I like to pretend I'm in, like, olden times, and I'm wearing a corset and stuff, and Prince Charming comes and sweeps me off my feet—and fucks my brains out!
Ultimate goal: A great job, a fantastic husband and three wonderful kids—in that order.
Reason for posing: I was flattered just to be asked. I couldn't say no to being in my favorite magazine! ★

Yours Truly

the totally honest diary of valencia leigh

photography by red velvet

So, I did this photo-shoot for BARELY LEGAL, and it was a blast, of course, just like last time [Valencia: Hi Mom! December 2006]. I was ready to do a fun interview and talk about regular stuff—you know, like, "Hi, I'm Valencia and I'm 19 and live in Tampa, Florida. My favorite music is Maroon 5, my fave food is chicken fingers with ranch dip, and I love Shia LaBeouf." But Lindsey was like, "Actually, we'd like to print an excerpt from your diary." And I was like, "My real life diary?" I write down all kinds of stuff in there, and it's personal, not to mention embarrassing!

Then I started thinking and I thought, you know, it would be pretty cool to share the true me with BARELY LEGAL readers. I mean, stuff happens in my life that sucks, like when my so-called boyfriend cheated on me. But cool stuff happens, too. I mean, my life is just basically all-around crazy, and I'm a complicated girl. There are different sides to me.

Read all about it—you'll see. It's a very strange week in the life of yours truly, Valencia Leigh!

November 8, 2007
Today was the worst. I mean it.

I thought Brody was my man and things were getting serious, that maybe he loved me. But remember when I started dating him a month ago? Alie warned me right then that he was a jerk. I thought she was being weird and jealous, because sometimes she can be that way. But Alie was right. I totally caught Brody cheating on me.

What a jerk. We had a date planned tonight—what if I hadn't surprised him at work and caught him boning Brandi? He would have brought me flowers and we would have had sex. I'd have Brandi cooties all over me.

I had a bad feeling about Brandi from the beginning. She works the front desk at the gym. She always gave me snide looks when I came in to see Brody.

Brandi has big, giant boobs and a crappy airbrush tan. She's like my opposite. Brody told me he loved my itty-bitty titties, but he was lying.

I could die. But you know what's freaky? When I saw Brody and Brandi having sex, I couldn't turn away. The door to Brody's office was cracked just enough. I could see them, but they couldn't see me. I was, like, frozen in place. I was horrified, but it was also, like, fascinating. They're both such hard bodies, and Brandi, with her acrylic nails and huge boobs—she's like the perfect porno lady.

They were totally porned out, too, all sweaty, doing it doggy-style, and in the butt, too. Brody squeezed Brandi's hooters and rammed her toot. His eyes were all crazy, rolled back in his head. I was just like, Wow. He is in ecstasy.

I guess I wasn't enough for him. I wasn't satisfying. I'm too flat-chested and too shy about my butt. I'm just not an anal girl, sorry! I should get over it, I guess. Maybe if I had let Brody ram my ass, he wouldn't have gone astray.

That's crap, though. He's a creep. He saw me today, too. I mean, he had just come, and he looked up and saw me spying, and he just laughed like it was no biggie. He was all, "Hey, babe!" Like he could explain. I didn't want to hear, though, so I ran away.

Obviously he doesn't care and never did, 'cause he hasn't even called me. I told Alie, and she was like, "He's a douche." She wanted me to come over and get drunk on blender drinks, but I'm too depressed to party. I'm like a sad old lady. I'm crawling into bed and watching QVC.

November 9
How lame is it to break up using text messaging? Looks like Brody didn't have the nerve to see me in person, 'cause he texted me: STILL LUV U BABE LETS TALK IT OVR XOXO. Please! So I texted back: IT'S OVER LEAVE ME B.

I can't believe I ever thought he might be serious about me. I don't even know why I liked him in the first place. He's such a macho jock, and really I like dorks. I need to find a hot dorky guy who will be true and love me. We can just hang out and watch *Heroes* and play Halo 3.

So now I'm just mad, but earlier I was crying. I called Alie, but she refuses to let me mourn, not even for a day. She says this breakup is cause for celebration and that she and I were having our own private girl party whether I felt like it or not. She's so bossy! Oh, well—she's coming over in a little bit, so I should probably clean up all the Kleenex and empty tubs of ice cream.

November 10
What a night. Alie seriously brought the party. We danced a lot and totally trashed the place. Plus we lezzed out in a major way.

Alie and I have fooled around before, but it was never anything serious—only, like, French-kissing for Truth or Dare, or sexy dancing at a party. Well, last night we really went for it. I mean, it was, like, butt-naked girl sex. It was really hot, too. I'm a little embarrassed, though, for the next time I see Alie. *She* won't be weird. She's too cool and open-minded. I guess it's okay for BFFs to have BFF sex occasionally.

I blame it on the dancing. Alie really lets herself free when she dances. Last night she took it to the extreme and started stripping. Timbaland and Nelly Furtado came on her iPod mix, and she stripped down to her undies. I was laughing my ass off, but also, I confess, I enjoyed watching her dance in nothing but pink silk skivs. Alie is so beautiful and tall. She should be America's Next Top Model. She's half Thai, so she's really exotic-looking. I won't lie—I was so into how she rocked her body, I had a puddle in my panties.

HOWEVER—my plan was *not* to do it with Alie when I joined in naked dancing. I just wanted to be too cute. I was having a high old time shaking my tiny titties and forgetting about my

heartbreak. It was all pretty innocent until Britney's "Gimme More" started playing.

Britney is *dirty*. Have you seen the skanked-out video? It's all about stripping. Maybe that's why me and Alie got so nasty. We were out in the middle of my living room in our panties, trying to coordinate some slick moves. It was pretty hilarious until Alie wrapped her arms around my waist and pulled me close so our chests were pressed together. Then it turned into, like, horny seriousness. We started rubbing our hard nips together, and it was like an electric current was buzzing between our boobies. Alie stuck her hands in my undies and squeezed my butt cheeks, and my cooch was like, *gooosh*!

I just wanted to, like, totally rub Alie. So I got all uninhibited and yanked down both our panties, and we started hard-core pussy-kissing. Our labes were all wet and smacking together. It was totally like our pussies were making out. Plus our clits were so swollen they were banging against each other, too. By now we were on the floor, and I was riding Alie and coming hard, spazzing out and moaning really loud like, "*Ahhhhhh*!" Full on. I bet the neighbors heard, too, 'cause my apartment's so echoey. Oops, sorry!

I never realized that pussy-fucking was so hot and I could come so hard from it. So now I can relate to dykes that way. Dykes must miss dick, though. They're always busting out the strap-ons.

***

P.S. Alie called tonight and she was just like, "What's up, perv?" Totally joking it off. I'm glad. I don't want sex to get in the way of our friendship. We can be chillax about our lezbo evening and just stay regular BFFs.

Now I'm beat. I just need to sleep for like three days and recover from all of the drama and activity. I should spend some time alone, catch up on *Harry Potter and the Deathly Hallows*.

I'm hitting the hay. 'Nite!

November 11

I slept until *two* this afternoon. I needed the Z's. I refuse to do anything today except read and order pizza from Domino's. Wednesday I have to go back to work, but it'll be fun 'cause I'm modeling undies.

November 12

So much for taking it easy last night. Thanks to Alie I took it sleazy instead. She is the *worst* influence on me.

For some reason I let her drag me out to this club called Sway. I was like, "I hate clubbing!" But she gave me a rousing speech about how talking to hotties would mend my damaged self-esteem.

At first I was like, This sucks. The thing with me is, I can dance my buns off in the privacy of my own home, but try and get me to dance in public and I'm like, No way! I totally dance embarrassing-style, and there are all these slick people at the club, like, Check out my moves! And I'm just dying.

Anyway, that's why I was like, *Akk*! So I ordered a Malibu and Coke with my fake ID and watched Alie make all the guys drool with her seductive dance moves. I was sulking hard-core when

this dude strolled up to the bar and started talking to me.

I am really not into meeting random people and being sleazy. Not normally. I mean, I only really had a random one time ever, at Alie's brother's 21st birthday, but the guy was from England and I couldn't help it because his accent made me all squishy. But last night? I don't even know. I guess I was drunk a little bit. That guy said hi, and pretty soon we'd moved to a booth and snuggled up all cozy, and maybe an hour later, two words: BJ.

Yes, I sucked this guy's dong under the table in a crowded club! He must have been like 20 years older than me, too. I am so sleazy! He was cute, though. He said he was the CEO of a start-up, like, social-networking company on the Internet.

Meanwhile, I was like, I wonder what's up with his peen? He was talking about his snazzy Web site, and I put my hand on his crotch and squeezed. He stopped talking and busted an insta-bone. I disappeared under the table and stuck his dick in my mouth.

It was *big*, too. Long and extra thick—kind of hard to suck, honestly, but I managed pretty well, I think. I sucked his balls, too. He kept banging his fists on the seat, I guess to stop himself from groaning. He pulled my hair and shoved his boner down my throat. I gagged a little, just for a sec. His cock was so long! I recovered quick, though, and he shot a load in my mouth. I'm not a cum-eating queen, but for some reason, this time, swallowing was the world's most delicious thing.

What's messed up is, I can't remember his name! Alie says it's a good sign I'm hooking up—it means I'm bouncing back from heartbreak. I think it might mean I'm just a sleaze.

Tonight's gonna be chill for real, though. The historic Wurlitz Theater downtown is showing the original old *Star Wars*. I don't care what happens—hell or high water or Alie trying to make me be a slut—I'm going and geeking out all by myself. Tomorrow night is gonna be all about me getting away from everything and watching Han Solo be hot. Harrison Ford is Grandpa Jones now, but back then in the stone ages he was *smoking*.

November 13

Dear Diary, what is going on with me?

I'll just come right out and say it: I had random sex with a guy at the movies. After all that talk about being chill and nerding out!

I kind of love him, though, even though we just met. Seriously. He's hot, but he's geeky, too. Maybe he's the man for me.

When I told Alie, she said I was on the rebound from Brody. Why is she so weird about every guy I ever feel special about? Maybe secretly she's 100 percent dyke.

It was crazy. The theater wasn't super crowded, but there were enough people there that it was pretty much insane to actually have sex. It's okay. We were far back enough that maybe only a few people noticed. Anyway, they left us alone if they did see.

I was all by myself in my row, then this guy came in and sat a couple seats down from me. I was like, OMG, he's cute! He had, like, nerdy but stylish glasses. Right before the lights went down, he smiled at me. I don't know if it was nerves or hormones or what, but for the first like half hour of the movie,

I couldn't even concentrate. My heart was pounding and I was panting, practically. It felt like falling in love. Is that corny?

Well, that's how I felt. But I was too nervous to make a move, but then he did. He scooted over next to me and whispered, "Hey."

Goose bumps broke out all over my body and my nipples went *ping*! Talk about don't judge a book by its cover. He looked like he'd be shy around girls, but he was way bold. He draped his arm over my shoulders, and I giggled and gasped like a spazz. He put his hand on my knee and slid it up my thigh under my denim miniskirt. I'm glad I shaved my legs!

When we kissed, I got dizzy. I felt all trippy, with the movie flashing and Luke Skywalker talking about all kinds of crazy stuff, and there I was making out with a complete stranger, with my panties all wet.

One thing led to another, and we got carried away. He was fingering me inside my undies, and I was so turned on, I just crawled into his lap and straddled him right then and there. Whatever people were behind us, I didn't even see them because I was blinded by desire. For real!

At first we were only dry humping. My unders were pushed over to the side so my pussy was out, but I was only rubbing on his dick through his pants. Even that felt really good, though, and honestly I probably could have come that way. His boner was rock-hard, and my cooch was soaking his jeans. I guess he couldn't take it anymore, because he unzipped his fly and out popped his bone, and it was like, *sloooop*! Right inside of me, totally effortless because I was so wet and horny.

Speaking of wet and horny, I came almost right away. Is that not insane? All the excitement and danger and hotness made me super orgasmic. He didn't take long, either. He pulled it out and made a mess all over my thighs and undies. In fact, I was like, Well, I'll just remove my jizzy panties and stuff 'em in my pocket instead of wearing them. Gross, I know!

I can't believe I had sex at the movies. We could have *so* gotten arrested. Lucky no one got pissed and called the police.

Now I can't stop thinking about the man of mystery, Doug. Do you think that's his real name? What if he just goes around to movies and finds girls to have sex with?

Now I'm being really lame. I think I'm in love, though. I gave him my number, so we'll see. Alie was all, "You are a freak and I'm having you put away." Whatever, jealous lezzie!

OMG, Diary. I need a vacation or something! ★

KRISTINA ROSE

Hey, it's Lindsey. Our Teen Queen of the Month is a high school senior, a majorette and...a *lobster*?!

"That's what the stupid boys at my school call me," explains Kristina Rose. "You know, all the meat is in the tail. *So* mean. That's why I like BARELY LEGAL readers—'cause they like girls of all shapes and sizes."

They *totally* do—especially when the girl is as yummy as *you*, Kristina Rose!

Romantic status: Single. And I doubt that will change until after graduation. High school boys are just too immature for relationships.
Fave hobbies: Swimming, dancing. I'm very physical.
All-time favorite movie: *Honey*, starring Jessica Alba. I wish I could dance like that!
Number-one TV show: *Ugly Betty* rocks. It teaches you that the beauty inside is what really counts.
Fave food: My mom's homemade tamales. The *best*.
Favorite part of your body: Well, it took me a long time, but I *love* my booty now.
Biggest turn-on: Dark, intense eyes.
Biggest turn-off: Thinks he's funny, but he's not.
Ideal guy: Mature, treats me with respect, likes to do physical activities together, is romantic but also *horny*. ;)
Best way for a guy to hit on you: He should be himself always and not be all bringing his "game" or whatever.
Guilty pleasure: I masturbate a *lot*. I mean, I guess I shouldn't really feel guilty about it, 'cause it's totally natural, but I would *die* if my mom ever caught me. She's very traditional.
Fave masturbation method: Only fingers, no toys. I have to be as quiet as possible!
Fave sex position: The guy on top.
Spitter or swallower: I think it's sexy to swallow, even if I don't always love the taste.
Best way to come: If the guy licks my pussy really hard.
To bi or not to bi: Not sure. I think girls are super hot, but they don't, like, give me tingly feelings down there. Maybe my mind is just blocked against the idea.
Butt sex, yay or nay: I haven't done it yet! I was all nervous about stickin' my booty in a guy's face. But I'm ready now. Bring it on!
The wildest thing you've ever done: Probably the time I fooled around with two guys at once. It wasn't full-on sex—just, like, touching and oral and stuff—but that's pretty wild for me! I'm still shocked I did it!
Deepest, darkest secret: I have a crush on my next-door neighbor. I always peek out my window when he mows the lawn with his shirt off. He's married, so we could *never* do anything, but in case he's reading this: Hi! You are hot!
Ultimate goal: I'd like to do some more modeling and also be in a *BARELY LEGAL* video someday (hint hint!).
Reason for posing: To show the world I'm proud of my body, no matter what anyone says! ★

Rachel the intern here, trying to keep Lucy from bouncing off the walls with excitement. The high school senior is a little bit geeky, a little bit goofy and a whole lotta naughty!

Reason for posing: For the fun of it!
Did you like posing nude? Yes! I was tingling all over the whole entire time. It was the most fun a girl can have without her clothes on—okay, the *second* most fun.
Fave part of your body: I like my hips—'cause hips don't lie! LOL! I like having girl curves. I used to be as skinny as a string bean.
Fave part of other people's bodies: I like a good set of pecs. One time, I went around the classroom grabbing guys' chests as a joke—but when I got to a guy on the swim team who had really nice chest muscles, I got *so* turned on!
Do you enjoy exposing yourself in public? I've mooned my share of teachers and rival sports teams.
How often do you masturbate? The question is, when do I not? Every time you can't find me, I'm off taking myself to Happyland.

photography by sexkicks

Best sex ever: Let's just say it involved a bar of soap, a ping-pong paddle, the entire swim team and a rubber chicken.
Are you serious? No. But that sounds like fun!
Do you like giving head? As long as the guy's circumcised. I blew a guy with an uncut penis once, and it was kinda gross. I like my wieners *without* cheese.
Do you spit or swallow? Spit. But if I like the guy, then I let him come on my face. That way, he's happy, and I don't *have* to swallow.
Have you tried anal sex? I tried it once, and it was amazing! Only, don't do it on your sister's bed, or you'll have to buy her some new sheets!
Eww! 'Cause of the lube, silly. We had to use a whole big bottle of the stuff.
Have you ever had more than one lover at once? Sort of. I was in bed with this guy at a party—*after* we had done it—and my girlfriend just decided to join us. But we just fooled around. It wasn't like a *real* threesome.
Are you bisexual? No, but my girlfriend is. LOL!
What's the naughtiest thing you've ever done? One time, I was flirting with this guy at a party, and he wouldn't take the hint, so I took off my panties right there and threw them at him. He still didn't get it!
What's the absolute best sex you've ever had? I brought a guy home while my parents were out of town, and we did it on my parents' bed.
Describe your ultimate sexual fantasy: I steal all the swim team's Speedos from the locker room, and they chase after me, all naked and wet, until they catch me and have their way with me—and maybe punish me for being bad! *Mmm....* ★

ANDIE VALENTINO
the hottest nerd

Hi, it's Rachel the intern, trying not to drool over Andie Valentino and her mind-boggling bod. If you saw her layout and interview in our June 2007 issue, then you know how super cute, sexy and fun she is. Only now, she's doing girls and making movies!

Favorite food: Anything fat-free.
Favorite music: Everything…seriously.
Favorite TV show: *Grey's Anatomy*! I just can't resist McDreamy!
Favorite movie: *The Notebook*. It's such a chick flick, but I *love* Rachel McAdams.
Special talents: I know it's really nerdy, but I can play six instruments and speak four languages.
Most sensitive part of your body (besides your clit): My belly button.
Have you ever been with a girl? Yes! I've done a couple movies, and I just like working with girls a lot better because it's fun, and I feel safer.
What was it like filming *Hot Showers #16*? It was *soo* hot. There's something really sexy about doing it in the shower. But the shoot took forever! By the end of the day, it was like attack of the prune monsters.
Have you tried anal sex? Sort of. I've experimented with putting things up my butthole.
Did you like it? Yeah, it's kinda fun. But what I *really* like is fingering other people's buttholes. OMG, it totally freaks guys out.
What are you like in bed? I like to play around and try different things. If you're not having fun, you're doing something wrong!
What's one thing most people don't know about you? I might look foolish, but I'm not—so be careful.
Do you like being in the adult industry? Oh, yeah, it's awesome! I'm having a blast, and my fans are the best! ★

Age: 19
Height: 5-3
Weight: 105 pounds

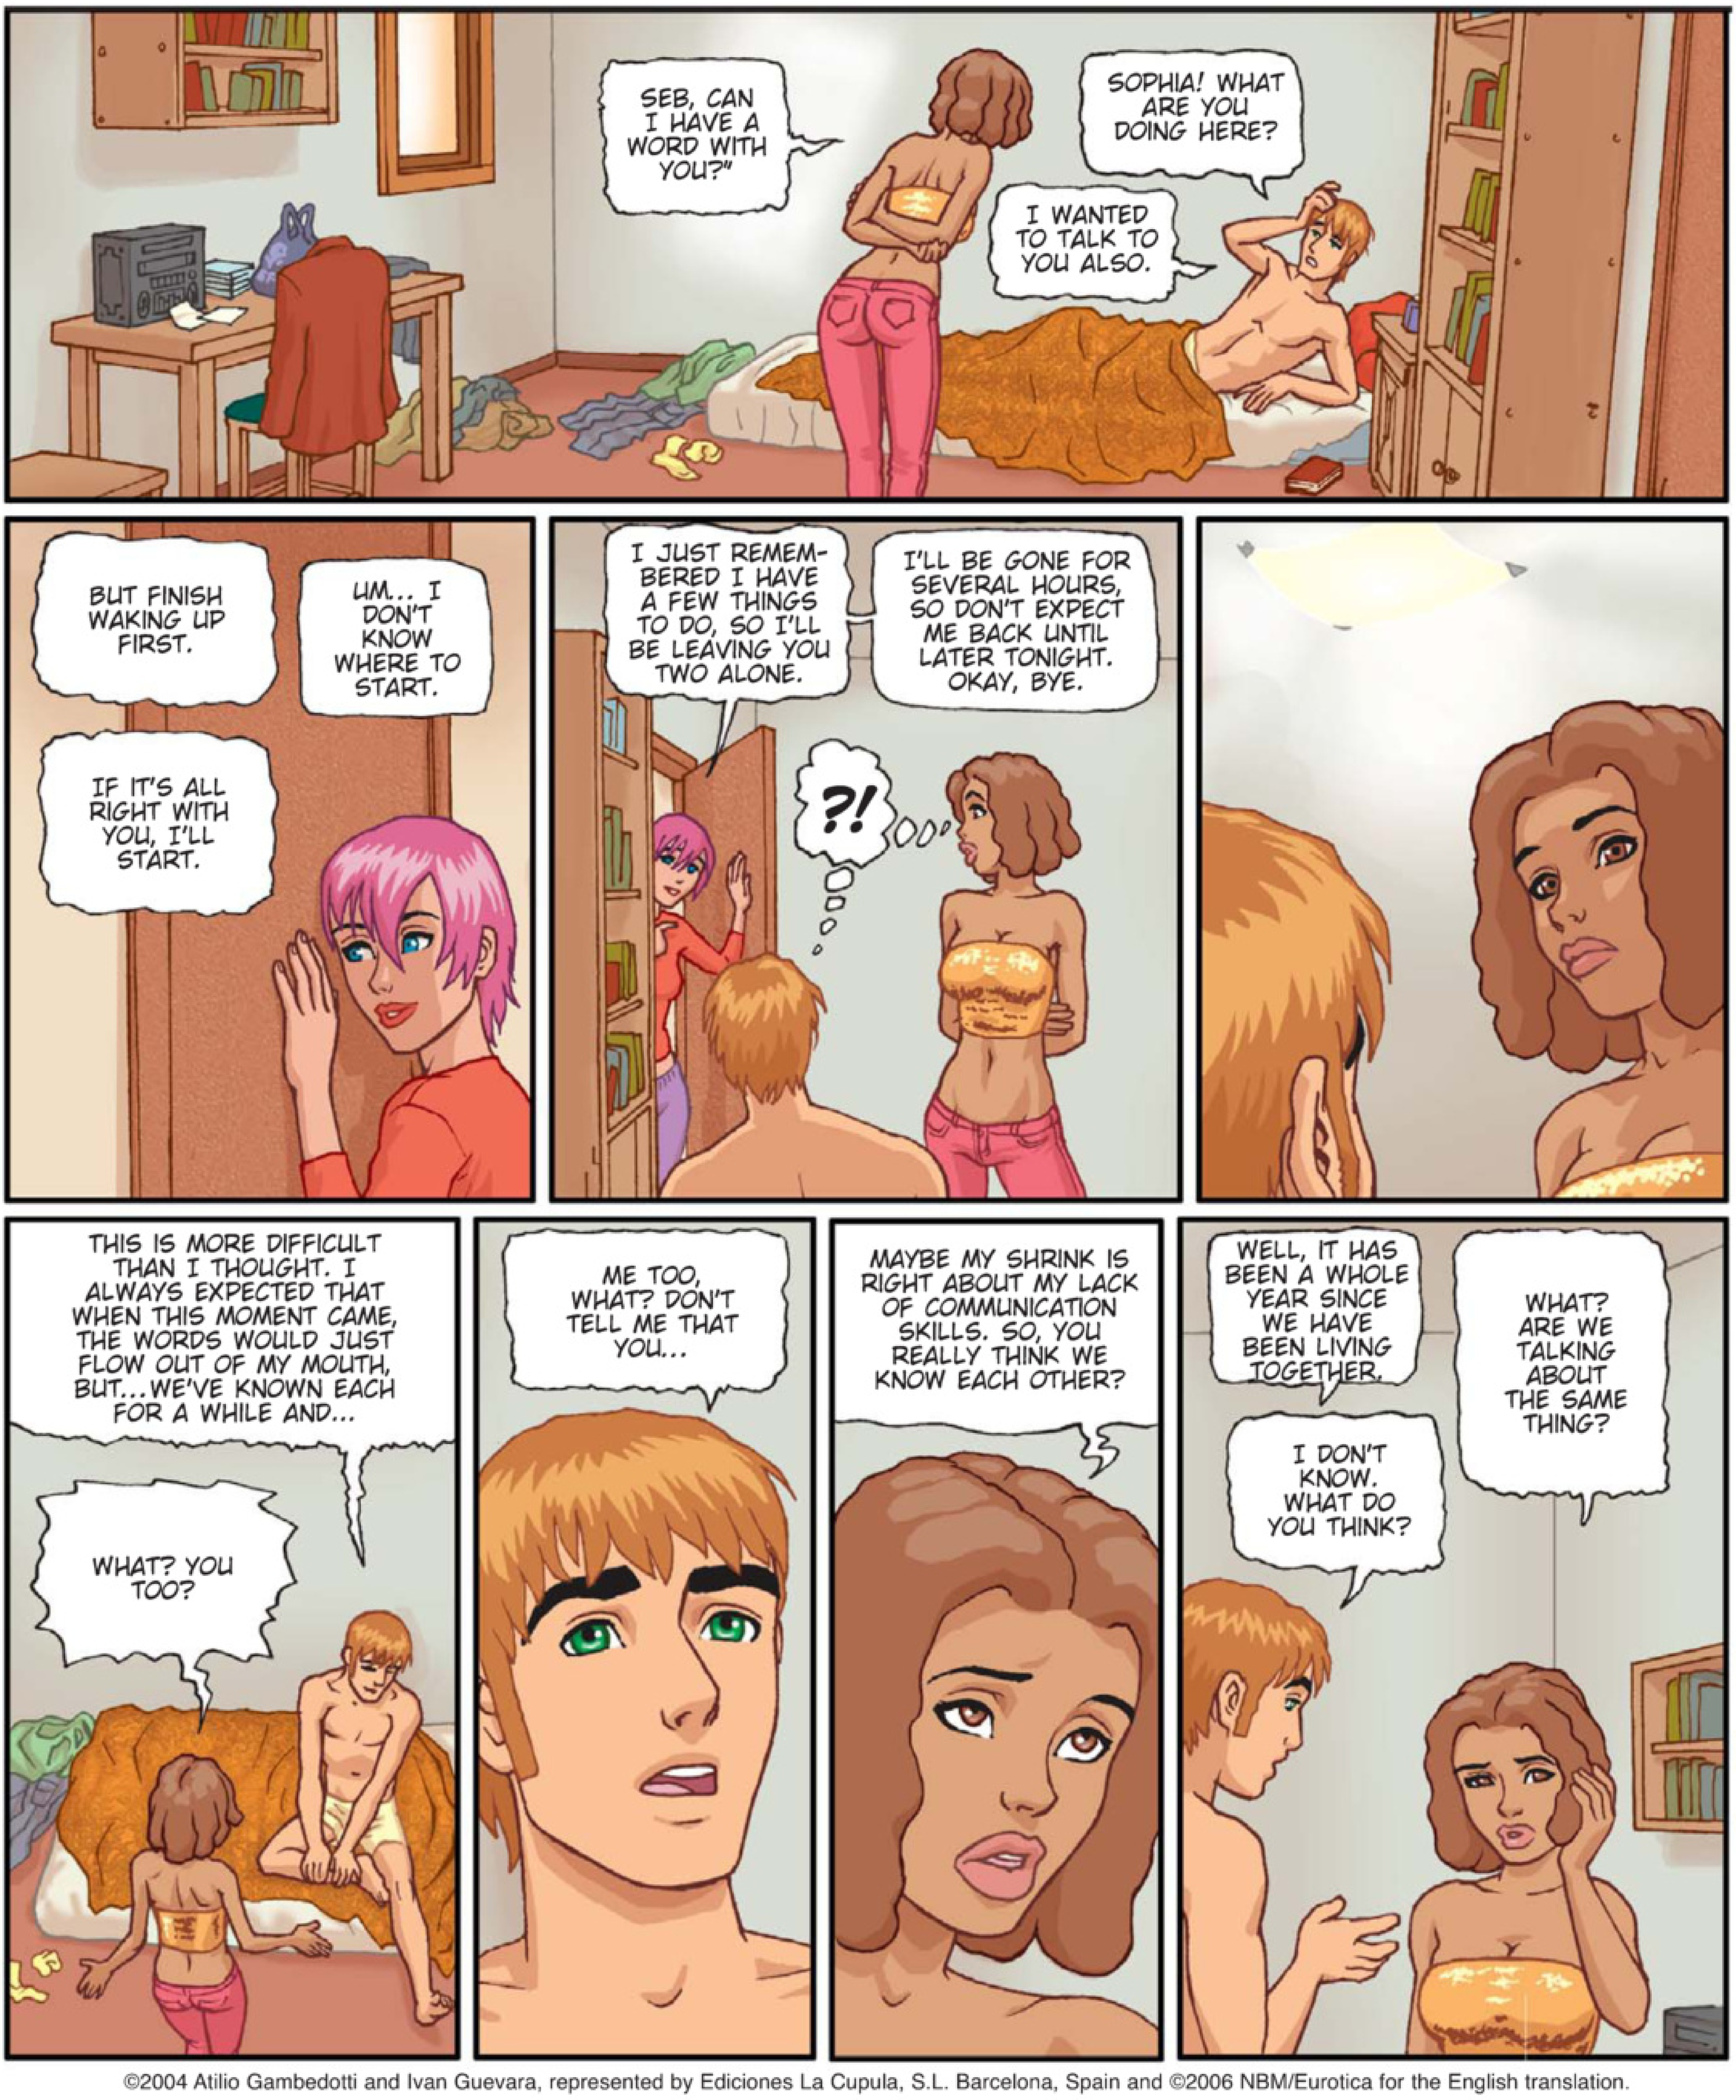
Chapter 12 The Blue Prince Is Tarnished

The adventures of Teresa, Sophia and Seb, who share an apartment—and each other!



SEB, CAN I HAVE A WORD WITH YOU?"
SOPHIA! WHAT ARE YOU DOING HERE?
I WANTED TO TALK TO YOU ALSO.
BUT FINISH WAKING UP FIRST.
UM... I DON'T KNOW WHERE TO START.
IF IT'S ALL RIGHT WITH YOU, I'LL START.
I JUST REMEMBERED I HAVE A FEW THINGS TO DO, SO I'LL BE LEAVING YOU TWO ALONE.
I'LL BE GONE FOR SEVERAL HOURS, SO DON'T EXPECT ME BACK UNTIL LATER TONIGHT. OKAY, BYE.
?!
THIS IS MORE DIFFICULT THAN I THOUGHT. I ALWAYS EXPECTED THAT WHEN THIS MOMENT CAME, THE WORDS WOULD JUST FLOW OUT OF MY MOUTH, BUT...WE'VE KNOWN EACH FOR A WHILE AND...
WHAT? YOU TOO?
ME TOO, WHAT? DON'T TELL ME THAT YOU...
MAYBE MY SHRINK IS RIGHT ABOUT MY LACK OF COMMUNICATION SKILLS. SO, YOU REALLY THINK WE KNOW EACH OTHER?
WELL, IT HAS BEEN A WHOLE YEAR SINCE WE HAVE BEEN LIVING TOGETHER.
WHAT? ARE WE TALKING ABOUT THE SAME THING?
I DON'T KNOW. WHAT DO YOU THINK?

IT HAS TO HAPPEN! THAT'S WHAT I WAS GOING TO TELL YOU!

SOPHIA, SINCE THE FIRST DAY I SAW YOU I FELT SOMETHING INSIDE ME...I DON'T KNOW. WHAT I DO KNOW IS THAT I WANT TO GET TO KNOW YOU BETTER. I WANT TO KNOW WHO YOU ARE AND WHAT YOU LIKE. I GUESS YOU CAN CALL IT ATTRACTION.

SERIOUSLY? WHAT AN IDIOT!

IDIOT! WHY?

NO, NO!

I'M THE IDIOT, FOR NOT NOTICING.

IT'S JUST THAT YOU ALSO MADE ME FEEL...TINGLY. YOU'RE SO TENDER AND SWEET.

I DON'T THINK WE REALLY KNOW EACH OTHER AT ALL IF WE WAITED A YEAR TO TALK ABOUT THIS.

AND NOW?

NOW WHAT?

WHAT ARE WE GOING TO DO? THIS ISN'T EXACTLY THE MOST ROMANTIC CONVERSATION WE'RE HAVING.

I DON'T KNOW.

WE'VE LET TOO MUCH TIME PASS. WAITING THIS LONG DOESN'T REALLY HELP THE SITUATION. IT'S A BIT UNCOMFORTABLE.

YOU'RE RIGHT ABOUT THAT. IF IT WERE A BLIND DATE IT WOULD BE EASIER.

THAT'S FOR SURE.

TO HELL WITH IT! LET'S NOT WAIT ANOTHER SECOND!

YES, BUT I DIDN'T KNOW YOU WERE SO INNOCENT. OH, WELL, YOU'LL SEE THAT YOU'LL LEARN MANY DIFFERENT THINGS FROM ME.

LEARN? WHAT DO I HAVE TO LEARN?

DID IT EVER OCCUR TO YOU THAT I MIGHT NOT LIKE DOING THINGS LIKE THAT? YOU'RE NOTHING LIKE I THOUGHT YOU WERE. YOU DON'T EVEN HUG ME NOW.

A HUG? HOW CUTE.

COME TO PAPA.

IT'S NOT BECAUSE OF YOU SEBASTIAN, BUT...

I DON'T THINK IT'S GOING TO WORK OUT BETWEEN THE TWO OF US. I CREATED TOO MANY EXPECTATIONS IN MY HEAD. LET'S NOT FOOL OURSELVES. YOU AND I ARE VERY DIFFERENT PEOPLE. TO THINK THAT TERESA CONVINCED ME NOT TO MOVE OUT.

WHAT ARE SAYING? YOU WERE GOING TO LEAVE US? I DIDN'T KNOW THAT.

OF COURSE YOU DIDN'T KNOW. I JUST FOUND OUT THAT SHE SLEPT WITH THE MAN THAT MEANT A LOT TO ME. I DON'T THINK I CAN EVER TRUST HER AGAIN.

*SHE REFERS TO HER EX-BOYFRIEND LIKE WE SAW EARLIER.

WHAT? I TOLD HER NEVER TO TELL YOU! IT WAS ONLY A SCREW. IT MEANT NOTHING TO ME! BUT YOU,...

*SEB THINKS THAT SHE IS TALKING ABOUT THE PREVIOUS TIME IN THIS VOLUME.

TARA

dairy queen

Hi! Rachel the intern here with Tara and the twins. Tara only weighs 102 pounds, and half of that is boob! They sure grow 'em big out on the dairy farm, don't they? Okay, Tara lives in a dorm room now, but still!

Romantic status: Single. I was kind of sheltered growing up, so I never really had a real boyfriend.

Favorite part of your body: My boobs. They get a lot of attention, but sometimes it's from the wrong type of people.

Biggest turn-on: I like guys who are sweet and thoughtful.

Biggest turn-off: Guys who think they're God's gift.

Fave position: Doggy-style is the best when I want it rough, but I *love* lying flat on my back with my legs straight up in the air. *Whee*!

Do you like oral sex? Yes! It's so intimate. Sometimes it's even better than sex!

Do you prefer giving or receiving? Giving. I feel selfish letting a guy go down on me without reciprocating.

Do you spit or swallow? I don't know. I've never had a guy come in my mouth before.

photography by e.i.p. studios

Age: 18
Height: 5-2
Weight: 102 pounds
Measurements: 34D-23-32
Hometown: Sheboygan, Wis.

Have you ever been with a girl? Yes! Girls love my boobs as much as guys do—and they're not as shy about touching them. I'm not *into* girls, but if they want to play with me, I don't mind.

What was your first time like? It was romantic—music and scented candles and the whole deal. He was a virgin, too, so we took it slow.

How do you like to be fucked? Passion is the most important thing. Sometimes I like it slow and tender, but sometimes it's all wild and crazed, and we're, like, clawing at each other.

What's the absolute best sex you've ever had? *Omigosh*, one time this guy was fucking me so hard that we totally broke the bed!

What's the best way for a guy to pick you up? Don't try to "pick me up" like I'm a piece of meat. Just talk to me like a regular person. Be funny, be sweet, and, most important, be yourself. ★

BARELY LEGAL BOX OFFICE

WE GIRLS AT BARELY LEGAL THINK THE BEST PERSON TO JUDGE THE REALNESS AND HOTNESS OF A LEGAL-TEEN VIDEO IS A REAL, HOT LEGAL TEEN. HERE TO REVIEW THE LATEST RELEASES IS THIS MONTH'S GUEST CRITIC, SASHA GREY.

BARELY LEGAL #76

★★★★

HUSTLER Video. Directed by Erica McLean; starring Jayme Langford, Alexandra, Sophie Dee, Cassidy Essence, Trisha Rey, Ashley Jensen, Tyler Knight, Jason Arrow, Jordan Ash and Charles Dera.

If you thought there's no way they could top the all-girl orgy extravaganza that was *BARELY LEGAL #75*, I have three words for you: Jayme MF-ing Langford! The smoking-hot redhead pairs up with her real-life girlfriend Alexandra for one of *the* most intense, passionate, sensual lesbian encounters I've ever seen. For a half hour, there's fingers, tongues, dildos and even a strap-on for that extra little *oomph*! That scene alone is totally worth the price of the DVD. The rest of the movie could be a bunch of old ladies knitting, and I would still recommend it. But luckily we have girls like Sophie Dee and Ashley Jensen in the mix instead. Sophie is adorable with her British accent, big blue eyes and big natural boobs. And she really digs on Tyler Knight's ginormous cock. Ashley's a cute, sassy blonde who's super energetic when it comes to sucking and fucking. I love how she says, "Thank you," and giggles when the guy comes all over her face. Forget about these girls resting on their firm little buns—with *BARELY LEGAL #76* it's full steam ahead!

Relax, Cassidy! This won't hurt a bit.

Jayme totally bosses her BFF Alexandra.
